Interfaith support is very lacking. As a Muslim on campus, I have had a very difficult experience with worshiping properly and we often have many difficulties because the campus does not facilitate opportunities for students to learn about faiths other than Christianity. Recent events in Duke and Chapel Hill concern me that maybe our campus will also reveal itself to be unwelcoming or unsafe for Muslims. But if administration and campus organizations were more directly involved in interfaith efforts, that fear would be mostly alleviated.	AfAmer/Black	Female
