

December 2012 Future Plans Survey

College of Education

Department Summary

This report presents summary results from the December 2012 Future Plans Survey for departments in the College of Education, followed by summary information on employment and further education for the college as a whole.

Department Summaries

The following table provides summary statistics for December 2012 graduates in each of the College of Education departments. It includes the number of students in the department who had applied to graduate in December 2012 (as of December 14, 2012) and the number of those students who submitted the Future Plans Survey. It also includes the number of students who indicated that at the time of the survey they had already accepted a full-time position (including military and volunteer work [e.g., Peace Corps]), and the number who indicated they were either attending or planning on attending graduate or professional school in the coming year. Finally, it includes summary statistics on the self-reported salaries of those having accepting full-time employment.
