## Post-Graduate Employment

The first part of this section of the report focuses specifically on the responses of those students who indicated they had obtained a full-time position. We then look briefly at information provided by those who said they were actively seeking but had not yet found a position, and finally at those who said they had not yet begun their job search.

A complete listing of companies/organizations where students obtaining full-time employment will be working, as well as location and job titles, is available for individual colleges in Appendix A.

## Further Education

One-in-four December 2012 graduates responding to the Future Plans Survey said they would be going on to graduate/professional school in the coming year. This section of the report provides detailed information on further education being pursued by these graduates.

A complete listing of the graduate/professional schools students will be attending, the academic programs in which they will be enrolled, and the degrees they are seeking, for individual colleges, is available in Appendix B.
