

## May 2015 Future Plans Survey College of Natural Resources Summary Report

This report presents summary results from the May 2015 Future Plans Survey for departments in the College of Natural Resources, followed by summary information on employment and further education for the college as a whole.

### Department Summaries

The following table provides summary statistics for May 2015 graduates in each of the College of Natural Resources departments. It includes the number of students in the department who graduated in May 2015 and the number of those students who submitted the Future Plans Survey. It also includes the number of students who indicated that at the time of the survey they had already accepted a full-time position (including military and volunteer work [e.g., Peace Corps]), and the number who indicated they were either attending or planning on attending graduate or professional school in the coming year. Finally, it includes summary statistics on the self-reported salaries of those having accepted full-time employment.
