

**May 2016 Future Plans Survey**  
**Division of Academic and Student Affairs**  
**Summary Report**

This report presents summary results from the May 2016 Future Plans Survey for departments in the Division of Academic and Student Affairs, followed by summary information on employment and further education for the college as a whole.

**Department Summaries**

The following table provides summary statistics for May 2016 graduates in each of the Division of Academic and Student Affairs departments. It includes the number of students in the department who graduated in May 2016 and the number of those students who submitted the Future Plans Survey. It also includes the number of students who indicated that at the time of the survey they had already accepted a full-time position (including military and volunteer work [e.g., Peace Corps]), and the number who indicated they were either attending or planning on attending graduate or professional school in the coming year. Finally, it includes summary statistics on the self-reported salaries of those having accepted full-time employment.
