

## **May 2020 Graduate Future Plans Survey College of Veterinary Medicine Summary Report**

This report presents summary results from the May 2020 Graduate Future Plans Survey for departments and types of degree programs in the College of Veterinary Medicine, followed by summary information on employment and further education for the college as a whole.

### **Highlights for the College of Veterinary Medicine**

- 100% of the doctoral students in CVM graduating in spring 2020 responded to the survey
- 100% of doctoral respondents in CVM report that they have secured full-time employment for the coming year
- 33% of CVM graduates with full-time employment will be working in North Carolina (33% in the Research Triangle Area)

**Department Summaries** The following tables provide summary statistics for May 2020 graduates in the College of Veterinary Medicine. Table 1 includes the number of graduate students in the College of Veterinary Medicine who graduated in May 2020 and the number of those students who submitted the Graduate Future Plans Survey. It also includes the number of students who indicated at the time of the survey that they would be working full-time, as well as the number of those who indicated they were either pursuing or planning to pursue another graduate or professional degree in the coming year. Finally, it includes summary statistics on the self-reported salaries of those who reported that they would be employed full-time. Table 2 and Table 3 provide the same summary statistics for May 2020 graduates in each department in the College of Veterinary Medicine, for doctoral graduates and master's graduates, respectively.
