

**May 2020 Graduate Future Plans Survey
College Comparisons (Doctoral Degree Recipients)**

This report presents results from the May 2020 Graduate Future Plans Survey, by college, for students graduating with a doctoral degree. Separate reports on the survey methods, overall results, departmental summaries, as well as a copy of the questionnaire, can be found on the [ISA website](#).

Table 1: Response Rate, by College (Doctoral Degree Recipients)

Total	192	100.0%	146	100.0%	76.0%

*In order to protect respondent confidentiality, breakouts are not provided for colleges with fewer than five graduates responding to the survey (i.e., the College of Design, the College of Natural Resources, the College of Veterinary Medicine, and Poole College of Management). However, responses for all graduates are included in the overview report.

Post-Graduate Employment

The first part of this section of the report focuses specifically on the responses of those doctoral students who indicated they had obtained a full-time position. We then look briefly at information provided by those who said they were actively seeking but had not yet found a position or were in the process of negotiation, and finally at those who said they had not yet begun their job search.
