I Final Remarks

Finally, please tell us about your experiences at NC State, and what you think could be done to improve the University. After removing personally identifying information, your comments will be grouped with those expressing similar concerns and shared with the relevant units on campus so they can appreciate their successes and learn from their mistakes. *However, in asking you to share your comments we must also inform you that our promise to maintain your confidentiality does not apply where the University has a legal duty to act on the information you provide, such as reports of criminal activity or unlawful harassment.*

I1 When you think about your time as an undergraduate student at NC State, what would you say has had the most positive impact on your overall experience here?

I2 What is the most important thing that NC State could do to improve the quality of undergraduates' experiences here?

thanks1 Thank you! We appreciate you taking the time to share your opinions and experiences. All students graduating from a Teacher Education Program are being asked to respond to just a few more questions. It is very important that students in these programs provide the additional information to better enable the programs to meet their accreditation needs.
