What Sophomore Students Say NC State is Doing Well

Sophomore Survey Methodology

The Sophomore Survey is administered every three years in the spring semester to eligible sophomore students. Students who were enrolled as sophomores and had completed 45-59 credit hours by the beginning of the spring semester were eligible to complete the 2022 Sophomore Survey.

In 2022, 2,619 sophomore students were invited to participate in the survey; 686 students participated in the survey for a response rate of 26%.

To see all reports associated with the 2022 Sophomore Survey, see the Institutional Strategy and Analysis website.
