

**December 2013 Future Plans Survey  
 Poole College of Management  
 Summary Report**

This report presents summary results from the December 2013 Future Plans Survey for departments in the Poole College of Management, followed by summary information on employment and further education for the college as a whole.

**Department Summaries**

The following table provides summary statistics for December 2013 graduates in each of the Poole College of Management departments. It includes the number of students in the department who graduated in December 2013 and the number of those students who submitted the Future Plans Survey. It also includes the number of students who indicated that at the time of the survey they had already accepted a full-time position (including military and volunteer work [e.g., Peace Corps]), and the number who indicated they were either attending or planning on attending graduate or professional school in the coming year. Finally, it includes summary statistics on the self-reported salaries of those having accepting full-time employment (excluding internship salaries).
