I am proud to say I work at this institution	3.69	3.90	

*Arrows indicate mean ratings that differ by 5 percent or more of the response scale (i.e., a difference of at least 0.25). Up arrows indicate that associate professors' mean rating is higher than for full professors, whereas down arrows indicate that associate professors' mean rating is lower. If no arrow is present, differences in mean ratings are not considered large enough to be meaningful.
